

AGED CARE SERVICES

Registered Aged Care Provider

Where Professional Aged Care Meets the
Comfort and Warmth of Home

INTRODUCTION

As we age, life can bring new challenges. You might notice some tasks are harder, health issues may arise, or keeping up with your home becomes more difficult. The important thing to remember is that you don't have to face these challenges by yourself.

Bilingual Care offers aged care services right in your home, helping you stay independent. As a registered Aged Care provider, we offer government-funded Home Care Packages to support your daily needs, all delivered by a team you can rely on.

We can help with housework, transport, meal preparation, and mobility equipment. Your support plan will be personalised to fit what you need most.

TYPES OF NURSING HOME SERVICES

We offer a variety of care services, including Domestic and Personal Care, Meal Preparation, Social Support & Community Engagement, Therapeutic Services for Independent Living, Respite, Transport, Clinical Services, Allied Health and other therapeutic Services, Nursing Care and Care Management.

DAILY LIVING ASSISTANCE

Daily living assistance refers to assistance provided to people who are unable to complete daily tasks on their own due to age. This service provides assistance with washing, dressing, grooming, eating, using the toilet, and moving around.

MEDICAL AND NURSING SERVICES

Bilingual Care can offer expert health care assistance to individuals with a variety of medical conditions. These services include routine health checks, medication management, wound care, and condition therapy.

REHABILITATION SERVICES :::::

Bilingual Care can help get you to your rehabilitation service providers and clinicians through our dedicated transport services.

NUTRITION AND MEALS

Nutrition and meals in nursing homes are carefully designed to meet the health needs of each client. Professional culinary staff collaborate to produce balanced, nutritious meals that promote overall health.
